Therapist Retail Rewards Program

SELL MORE • EARN MORE • SHARE WELLNESS

A simple monthly rewards program celebrating massage therapists who introduce clients to The Smelly Sasquatch products for their at-home wellness rituals.

Monthly reward tiers

PRODUCTS SOLD / MONTH	FREE PRODUCT REWARD
5	1 free roller or inhaler
10	2 free products
20	5 free products
30	8 free products

Rewards are based on the highest tier reached each month; tiers are not added together. Eligible reward products are selected from the participating spa's approved assortment.

Extra ways to earn

Welcome gift | Each participating therapist receives one complimentary roller or inhaler to experience the collection firsthand.

Top seller bonus | At spas with three or more participating therapists, the highest monthly seller earns a special product bundle (approximately \$50 retail value).

Exclusive access | Therapists reaching 20 sales can choose from available new or limited-edition blends, subject to spa approval.

How it works

1. The spa enrolls participating therapists and shares the eligible retail assortment.
2. Therapists recommend products when appropriate for clients' at-home care.
3. The spa tracks completed sales by therapist and submits a monthly tally.
4. Earned gifts are provided within 14 days after the spa submits its sales tally.

Program guidelines

Only completed, non-returned retail sales count. Rewards are product-only, have no cash value, and are subject to spa management approval and product availability. The spa and The Smelly Sasquatch will confirm eligible products, tracking procedures, and launch details before participation.

Thoughtful recommendations. Happy clients. Rewarded therapists.
